EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with George Jonas on 11/13/2006.

The application has been amended as follows:

Amend claim 8 by adding the following line to the end of the claim: "wherein said first pressure sensitive adhesive has aggressive and permanent tack, adheres with no more than finger pressure, has sufficient ability to hold onto an adherand, has sufficient cohesive strength and requires no activation by an energy source."

DETAILED ACTION

Allowable Subject Matter

2. Claims 1-15, 29, and 30 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The independent claims 1 and 8 have been amended to specifically define what properties the pressure sensitive adhesive must have. The combination of all these properties and the other limitations of the claim were not all found either alone or in an obvious combination. Accordingly claims 1-15, 29, and 30 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew T. Sever whose telephone number is 571-272-2128. The examiner can normally be reached on 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Diane Lee can be reached on (571) 272-2399. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
